## MORRIS SCHOOL BOYS WIN CONSISTENTLY

Track Team Has Won Five  
Meets on Indoor Tracks  
During Winter.

## PALESTIER IS THE STAR

The Morris High School track team under the coaching of J. Strauss compiled a record during the indoor season which probably has not been equalled by any high or prep school. The start was made at the Manual Training games when it won the only open event on the programme, the football relay at one-half mile. From then until the close of the scholastic season at the Princeton games on March 25 success attended the efforts of the Boston road athletes.

Morris won five point trophies at the Stevensian, Poly Prep, P. S. A. L. championships, Horace Mann and Central High School of Newark meets. In the last mentioned meet Central won its own games, but turned over the point trophy to Morris, which was second. Besides winning the five point trophies the school relay teams won nine prizes, while the twenty youths comprising the team totalled ninety-two prizes.

What disappointed Morris most was its defeat by Stevensians at the Princeton club games. In this meet only three points were taken, two Stevensians and one Central. Morris' 1-mile team was unfortunate at the games, but was disqualified because of some alleged rough work on the turn. Had he been allowed to retain his first place Morris would have won the meet. Captain Elliot Palestier was in ill health at the time and had been confined to his bed with the grip and had been about for only two days.

Among the more prominent individuals who added Morris to its victories were Elliott Palestier, Jesse Fleck, Elias Berleman, Manager H. Lefkowitz and Norman Meany. The first three especially were consistent winners. The 120 pound and unlimited relay teams also were good. Running on the 120 pound class team were Silverstone, Bloch, Goldberg, Lefkowitz and Winters. On the mile relay team were Lembeck, Fleck, Lefkowitz, Palestier, Rabinowitz, and Holtzman.

Among the fourteen trophies won by Morris follow: Manual Training football cup; Stevensian point trophy; Poly Prep point trophy; P. S. A. L. indoor championships trophy; indoor mile relay second place trophy; Horace Mann point trophy; Stevensian 120 pound relay; Central High point trophy; Hamilton Institute Albert mile trophy; Wanamaker, 120 pound relay trophy; Manhattan College mile relay trophy; Princeton club graduating class relay; and Princeton club 120 pound relay trophy.

Throughout the year the running of Jesus Christ's 100-foot Boston track was a feature. Fleck won his first mile run at the Stevensian games. At the Poly games he was timed in 4 minutes 40.25 seconds, the fastest time ever made by a schoolboy indoor. At the P. S. A. L. championships Fleck established new records of 1 minute 50 seconds winning the mile race. Palestier retained his half-mile crown and Pechman proved a double winner annexing the 100 and 220 yard juniors. Palestier, the only entrant from Morris at the Eastern indoor scholastic championships held under the auspices of St. John's College, single handedly won second place for his school. He won both the quarter and half miles for a total of 10 points.

Capt. Palestier led in the individual point scoring with 70 points. Fleck was second one point behind, with 69. The others who scored points were: Perlmann, 42; Leibowitz, 36; Meany, 26; Lefkowitz, 21; W. Braunstein, 21; Carl Rabbinowitz, 21; N. Goldfarb, 20; C. Silverstone, 18; Max Bloch, 15; Carl Winters, 10; M. Rosenberg, 5; H. Fleck, 5; J. Steinberg, 2; A. Lastovig, 2; W. Gottlieb, 2; N. Levy, 2; M. Rosenblum, 2; W. Goldfarb, 2.

On April 10th, Morris had a closed set of novice games at the school field for the purpose of bringing out material for the outdoor season. With the track team well developed Coach Strauss intends working up the field men. Meany, Steinberg and Fogerty are doing well with the shot put, discus, stone, and hammer. Baumrind and Silverstone will enter the outdoor jump competitions. Malz and Elias are the high jumpers and Rosenberg are the pole vaulters.

Morris did not enter the Penn relays because of lack of funds to travel to Philadelphia. Last year it won its class and took third place in the national meet, but this outdoor season in which Morris will be represented follows: May 13, St. John's College; May 15, novice P. S. A. L. games and championships relays; May 27, P. S. A. L. championships and novice relays; May 29, Brown or Rutgers and June 10, inter-scholastic at Newark.

**WHAT THE SCHOLASTIC ATHLETES ARE DOING**

## Scholastic Events To-day.

### BASEBALL

St. Peter's vs. St. Peter's Prep at St. John's Field.

### TENNIS

John Papp vs. Columbia Freshmen at Franklin Field.

One of the biggest surprises of the scholastic baseball season is the showing made by Evans Childs. Practically unheard of in scholastic sport prior to this season, except for a reputation for losing, Evans Childs has come forward and won all of its eight games.

Evans Childs has used four pitchers, George, Hippie, Herman, and Wondine. The former has done the bulk of the work, winning half of the games. Three of his victories came in one week. Wondine given promise of being a star. His victory was scored over Baron Karsorn of New Utrecht. Besides having the best pitching staff, Scholastic has also seven dependable starters. Hippie, Herman, Buckley, and Wondine are among the leaders, making their hits go for many extra bases. In the eight games played Evans Childs has scored fifty runs, against eighteen scored against him. Its success record includes victories over Manual Training, 8 to 2; Bryant, 4 to 3; New Utrecht, 4 to 3; Brown's College, 15 to 1; Townsend Harris, 6 to 3; Jamaica, 8 to 1; Clinton, 6 to 1; and Curtis, 15 to 4.

The Stevens Institute of Hoboken will hold an interscholastic meet Saturday afternoon, May 27. Practically every high and prep school of the metropolitan district has signified its intention to send representatives.

Fourteen teams will compete in the intersection baseball tournament at Townsend Harris Hall. Eight teams are in class A and six in class B. The class winners will meet in a series of three games for the school championship.

## Iron Mask, Noted Racer, Dies From Pneumonia

LEXINGTON, May 7.—Iron Mask, one of the most famous sprinters of all times on the American turf, died here last night of double pneumonia. He was 8 years old and was by Dague—Royal Rose. He was bred at Castleton and was owned by the late James R. Keene. Iron Mask had the distinction of having raced successfully in England, United States, Canada, Mexico and Cuba. His winnings on this side of the water total \$22,007. In 1913 he set the world's record for six furlongs of 1:10 4-5 and reduced that mark to 1:09 3-5 at Juarez the following winter. At Juarez he also set a new American record for five and one-half furlongs at 1:03:33. He was well insured.

## PROMISING YEARLINGS TO BE SOLD IN JUNE

Ellerslie and Beaumont Studs  
Will Send Choice Stock  
to Auction Mart.

The first of the series of sales of thoroughbred yearlings for the coming season arranged by the Powers-Hunter Company of New York, will be held at Durlands Riding Academy on June 6, when the product of the Ellerslie and Beaumont studs will go under the hammer. Beaumont, the property of Miller and Headley, is one of the most famous thoroughbred nurseries in Kentucky. Ellerslie, the birthplace of Morello and a hundred other racers of the highest class, and now the domicile of Celt, the most successful of the sons of Commando at breeding establishments. Ellerslie is owned and managed by Arthur Hancock.

Forty-four colts and fillies are catalogued for this sale. They are the sons and daughters of stallions and mares that are making the turf history of the day. Among the stallions represented besides Celt are Celot, Ballot, Jack, Alibi, Frank, Marquette, Salt, Gatsby, and Pal-Pal. Play. There is likely to be lively bidding for the offspring of Celt and Ballot. Celt was unusually successful in the two seasons he has had at Ellerslie, Orländia, Clique, Cardine, Cello, Andrew, Giggie, and several and possibly the best of the United States and Canada being among his contributions to racing.
